January 24, 2012

Dear Members & Friends,

As the new President of the "Polonia" Woodrow Wilson Society here in San Antonio, Texas, I would like to thank all the people at our last general meeting who voted for me. I found out about the Polish society in 2007 when I was planning a trip to Poland. I had wanted assistance communicating with some relatives in Gdansk that I intended to meet. When I asked Aleksander Marcinowski to help translate for me he offered to make the call and translate for us without asking anything in return. At that moment I knew I had found an organization that I would like to be a member of.

Since then I have found that everyone I have met at the Polish Club has been like part of my family. I am very proud to serve as your representative this year and would love to meet you all. We are planning some great gatherings, picnics, sausage fundraisers and children's activities. We would like to have your input on these so please come and join us – we need all the volunteer help we can get. If you know someone that would love to have a nice place to go and meet new friends bring them along. Remember it takes a village to make a difference.

Our next get together will be on February 3rd to celebrate Valentine's Day. Bring a covered dish, yourself and a friend and enjoy the evening with us.

I am enclosing a schedule for the year 2012, please keep it next to your calendar so as not to miss any of our events.

If any one of you or your friends are in need of life insurance, please let us know. Polish Nation Alliance (PNA) is the largest Fraternal Organization in the USA with over 880 Lodges nationwide and has a variety of insurance policies, with two banks in Chicago and one in New York. As a member, you can utilize the many PNA services that they have to offer.

Once again, I look forward to seeing you & to work with you as a PNA family.

Thank you, Dziękuję bardzo
God Bless you, Bog zapłać

Fraternally yours,

Nancy McFarlin
President, PNA Lodge 2540
